

Frank's Requirements

Frank ministers with churches and ministries of any size. He travels alone and his requirements are very basic.

- **Love Offering:** No booking fee or set fee required. Please receive an offering for Frank Butler Ministries at each service.
- **Air Transportation:** We will book Frank's economy airline ticket and forward it to you for reimbursement.
- **Ground Transportation:** To and from services.
- **Accommodation and Meals:** A hotel is preferred for its business services and consistency.

I have had so many ministries come to the church that are trying every way to get "offerings" from the people. Not so with Frank Butler. He comes with a pure heart and motive to bless the people. WOW! How refreshing! A man of integrity and full of the Holy Spirit! Put him on your calendar!! -- *Pastor Bill Smalt, Rock Church, Scranton, PA*

He comes making no demands. He is not just trying to fill a date or receive an offering to get down the road. He is a genuine gift to the church. Please consider having this brother for a service, for you will not regret it. -- *Pastor Mike Colston, Living Waters Assembly, Magnolia, TX*

He is a humble brother who places no great demands upon the church. He comes to bless and impart that which God has given him. If you choose to have this evangelist you won't regret it. -- *Pastor Mike Panich, Cornerstone Family Worship Center, Detroit, MI*

He is genuine and a very low-maintenance evangelist. Frank's ministry was very effective. -- *Pastor Doug Banks, Maranatha Chapel, Evergreen Park, IL*

I must thank you for the integrity with which you conducted yourself. Having booked a lot of Christian artists, speakers, evangelists and even pastors, I have been so impressed with how professionally your ministry is conducted. You were a pleasure to schedule and host! Many of our people's lives were changed forever! -- *Pastor Larry Horrell, Church of God, Cleveland, TN*

Thank you for making it easy on us to bring you in and for your willingness to come in faith. There were no high demands and up front expenses we had to worry about. Our church was blessed. -- *Pastor Larramie Crumpley, Grandview Assembly, Grandview, MO*
