## Frank's Requirements

[www.frankbutler.org/requirements.pdf](http://www.frankbutler.org/requirements.pdf)

The only requirements are expenses and an offering. We ask the host church/ministry to provide the following:

### Offering

There is no booking fee or set fee required. Please receive an offering for Frank Butler Ministries at every service.

### Airfare

We will purchase Frank's economy/coach class airline ticket several weeks before the arrival date and forward a copy to you for reimbursement.

### Ground Transportation

To/from the airport, hotel and service(s).

### Hotel and Meals

A hotel is preferred for its business services, consistency, privacy and quietness.

### Interpreter/Translator

When required.

### Comments from those who have hosted Frank...

I have had so many ministries come to the church that are trying every way to get "offerings" from the people. Not so with Frank Butler. He comes with a pure heart and motive to bless the people. WOW! How refreshing! A man of INTEGRITY and full of the HOLY SPIRIT! Put him on your calendar!! -- *Pastor Bill Smalt, Rock Church, Scranton, PA (570) 342-0544*

He comes making no demands. He is not just trying to fill a date or receive an offering to get down the road. He is a genuine gift to the church. Please prayerfully consider having this brother for a service, for you will not regret it. -- *Pastor Mike Colston, Living Waters Assembly, Magnolia, TX (281) 356-1687*

I have found Frank to be a brother with a good and right spirit. He is genuine and a very low-maintenance evangelist. Frank's ministry was very effective. -- *Pastor Doug Banks, Maranatha Chapel, Evergreen Park, IL (708) 422-4340*

He is a humble brother who places no great demands upon the church. He comes to bless and impart that which God has given him. If you choose to have this evangelist you won't regret it. -- *Pastor Mike Panich, Cornerstone Family Worship Center, Detroit, MI (734) 522-8463*
